

IMPLICATIONS OF TECHNOLOGY FOR PEOPLE & PLANET

OPEN DISCUSSION THIS WEDNESDAY MAY 2ND!
6-7:30PM IN BUILDING 10, ROOM 227

Engineers Without Borders (EWB) is hosting an open discussion on the implications of technology. Free coffee & treats. All students welcome!

A summary of the discussion will be used in a final report submitted to the United Nations that represents the voices of children and young people!

Do you have any concerns about the implications of rapid technological advancement? How can technology be used to improve the environment and people's lives?

Come share your thoughts!
